how & why:

My passion for life is to try to understand the world around me. My goal as a production designer serves as a tool to research and analyse scripts and characters, and create a world for them to live in. In that way - my work fuels my passion.

values:

courage
compassion
curiosity

passions & hobbies:

travel
ultimate frisbee
acting & theater
thrifting
art of all kinds:
drawing & painting
graphic design
photography
